## Modern Slavery Act Policy

---

Metropolitan Demolition have:

Made out staff aware of the Modern Slavery Act, including its definitions of slavery and human trafficking  
Told staff what to do if they suspect a case of slavery or human trafficking  
Contacted suppliers in potentially higher risk categories to check what assurance arrangements they have in place  
Commenced a revision of our procurement contracts and related documents to include prohibitions in respect of slavery and human trafficking and in compliance with legislation; and
